## ABOUT US :

### About Arrival :

**Arrival is a dynamic and innovative system that is transforming the way people do business and experience financial independence. At Arrival we believe in empowering individuals to achieve their dreams and create a life of abundance.**

**With a strong foundation built on integrity, trust, and unwavering commitment to our independent representatives, we provide a lucrative opportunity for aspiring entrepreneurs to build their own successful business. Our mission is to inspire and support individuals from all walks of life to unleash their potential and achieve personal and financial growth.**

# ARRIVAL

# AI

'Arrival' is committed to providing economic independence to the unemployed youth of India and making them self-reliant through this system.

Our first objective is micro credit scheme, second objective is to set up trading institute (Indian, forex, crypto). Along with this to give an idea about block chain basics and modern banking system 'CBDC' and human hair processing and transportation business, which will improve the Indian economic system . Also encourage investment in modern specialized manufacturing industries

**7%**

**Joining Amount : \$ 500 & above**

**ALGO ROOT ACTIVATION CHARGES : 3%**

# ALFIVAL AI

Algorithmic trading, or algo trading, is a method of automatically executing trades in financial markets using pre-programmed rules and algorithms. These algorithms follow specific instructions based on factors like time, price, volume, or market status to place orders without human intervention. This process enables rapid order execution, reduces emotional bias, and allows for simultaneous monitoring of multiple securities.
